INSPIRATIONS

Elegant, simple and gorgeous. Inspired by Scandinavian style, we created this stunning interior design project where our main priority was to create an inviting space to have friends over and more storage space in a very charming way.

We explored the lightness of the Nordic style with a hint of warm elements to create a pleasant ambience. In a neutral background we used tints of light pink, mint and grey as an accent colours to form an inviting atmosphere.

An outstanding selection of contemporary furniture and accessories will create a cheerful and breezy atmosphere. Combining the lightness of white/wooden Scandinavian furniture along with cheerful coloured accent elements we created a perfect cozy space for you.
